ENVIRONMENTAL CHARGES

Transportation and disposal of any removed refrigerant and/or air conditioning systems will incur an additional charge (as appropriate) as this is now classified as hazardous waste and must be dealt with in accordance with The Environment Agency's current Hazardous Waste Regulations.

CONDITIONS

Our minimum charge is one hour and will be applicable up to the first hour on site. Subsequent time on site at 15 min. intervals thereafter. Official purchase orders are required to action service calls. All prices are subject to VAT at the current rate.
